WORK EXPERIENCE

Hallar Aerosol Research Team (<https://hart.chpc.utah.edu/>) **December 2020- Present**
Undergraduate Research Assistant
Salt Lake City, UT
Participated in field work for field campaign CFACT on frog formation and worked with instrumentation
Built up my coding skills in R by organizing, cleaning, and analyzing data from Storm Peak Lab in CO

Internship with the Utah Division of Air Quality (DAQ) **May 2022- August 2022**
Intern
Salt Lake City, UT
Reviewed 2021 Emissions Inventory Reports from over 180 facilities across Utah and worked w/ engineers

Secrets of the Greatest Snow on Earth taught by Jim Steenburgh **January 2022- May 2022**
Teaching Assistant
Salt Lake City, UT
Graded student work and reviewed course content for a class examining Utah's unique snow climate

Kiote Clothing Store **June 2020- December 2020**
Floor Member
Santa Fe, NM
Rang up sales on cash register, organized inventory, and improved my customer service skills

Internship with AMENERGY Solar Company (<https://www.amenergynm.com/>) **May 2020- June 2020**
Intern
Santa Fe, NM
Developed solar curriculum lesson plans. Learned to problem solve and clearly relay information to others

Santa Fe Tails Dog Daycare and Resort **June 2019- August 2019**
Floor Member
Santa Fe, NM
Fed, bathed, and monitored rooms full of dogs, and learned to work well in a team in high stress situations

ACTIVITIES/LEADERSHIP

Organizer of Community Climate Forum (Public Event) **December, 2019**
Co-designed an event to reach more of our community and a website, social media, and flyers to promote it
Solidified my leadership, organization, promotional skills, and the importance of community involvement

Volunteer at Community Farm **Summer 2019**
Harvested fields to benefit crop yield for hunger efforts and assisted sustainability and compost education

Volunteer at Local Organizations with the Teen Action Program (TAP) **2014-2019**
Worked with children (ages 3-7) at a local Head Start Preschool and taught in NDI children's dance classes
Volunteered cleaning out dry riverbeds and tutored local elementary students
